

Return to School Informational Items - CHS/CCUSD 139

Schedule: We will be bringing in all students the week of August 19 - 21, 2020. Please follow this schedule: [First Week Schedule](#)

Masks: All students and parents will be required to wear masks anytime they enter the school buildings. The district will provide two reusable masks for every student. Please label these with your child's name to prevent it from being used by another student and wash the masks regularly and prior to their first use.

Water: Students will be allowed to bring their own water bottles to avoid use of the water fountains. Water bottles should be clear and labeled with the child's name.

Daily Self Certification: Attached to this message, and can be found on both school websites, is the Daily Self Checklist for Student Self Certification. The sheet itself does not need to be returned. However, Parents are to use this checklist with their students to be certain their child is exhibiting no symptoms and is ok to come to school on any day he or she is assigned. If your child is exhibiting any of the symptoms listed, keep them home from school. Students will be given a temperature check and asked about symptoms upon his or her arrival at school. Students with a fever or symptoms will be sent home for a period of up to 10 days. Please refer to the attached "[Student COVID-19 Return to School Flowchart](#)" for additional information regarding returning to school.

((Please indicate on your child's Grade Level Google Classroom that you are aware of the symptom list.))

Transportation: CCUSD 139 will continue to provide transportation running traditional routes. To assist with social distancing, we would encourage any parents to find alternate routes of transportation whenever possible. Students will be screened for temperature and symptoms upon bus entry. Students exhibiting symptoms will be quarantined towards the front of the bus and parents will be asked to pick up their student at school when they arrive.

All-Remote Option for Enrolled CCUSD 139 Students: Our goal is to provide students with as much face to face instruction as we feel we can safely provide. However, students will always have the option to remain a student in an All-Remote format through the 2020-2021 school year. Please contact your school principal if you are wanting this option for your child.
